(This document contains information as at June 25, 2019 and all amounts are in Canadian dollars, unless otherwise indicated.)

GENERAL PROXY INFORMATION

This Management Information Circular is furnished to the shareholders (the “Shareholders”) of Shoal Point Energy Ltd. (the “Company”) by the management of the Company (the “Management”) in connection with the solicitation of proxies to be voted at the Annual and Special Meeting (the “Meeting”) of the Shareholders to be held on Tuesday, July 30, 2019 at 10:00 a.m. PST at the offices of the Company situated at Suite 203, 700 West Pender Street, Vancouver, BC V6C 1G8.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, regular officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT, VOTING AND REVOCATION OF PROXY

Appointment of Proxy

Registered shareholders as of June 25, 2019, the record date, are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Computershare Investor Services Inc. at their offices located at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Voting

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the

Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Revocation

In addition to revocation in any other manner permitted by law, a proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the registered shareholder or by its attorney authorized in writing, and by depositing such instrument at the office of the transfer agent indicated on the enclosed envelope not later than 5:00 p.m. (Toronto time) on the last business day (which excludes Saturdays, Sundays and statutory holidays in Toronto) before the date of the Meeting (or any adjournment or postponement thereof), or in any other manner permitted by law. However, the revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

A Beneficial Shareholder (as defined below) who has submitted a proxy may revoke it by contacting the intermediary through which the Beneficial Shareholder's Common Shares are held and following the instructions of the intermediary respecting the revocation of proxies.

Beneficial Holders

The information set out in this section is of significant importance to those Shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name of the Canadian Depository for Securities, which acts as nominee for many Canadian broker firms.) Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. With specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e. the broker or agent to the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge

or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), of the Canadian Securities Administrators. An objecting beneficial owner is a beneficial owner of securities that has provided instructions to the intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to shareholders in this Information Circular and the accompanying instrument of proxy and notice of Meeting are to registered shareholders unless specifically stated otherwise.

Registered Shareholders

Registered holders of Common Shares as shown on the shareholders list prepared as of June 25, 2019 (the “**Record Date**”) will be entitled to vote such shares at the Meeting on the basis of one vote for each Common Share held.

Registered shareholders may also, rather than returning the proxy received from the Company by mail or hand delivery, elect to submit a form of proxy by use of the telephone or of the Internet. Those registered holders electing to vote by telephone require a touch-tone telephone to transmit their voting preferences.

Registered holders electing to vote by telephone or via Internet must follow the instructions included in the form of proxy received from the Company.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

In the absence of such direction, such Common shares will be voted FOR the election of Directors, FOR the appointment of the auditors, and FOR the approval of the special resolution authorizing the Board of Directors to amend the articles of incorporation to consolidate its outstanding common shares on an up to one (new) for ten (old) basis.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, no: (a) person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year; (b) proposed nominee for election as director of the Company; and (c) associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any of the matters to be acted upon other than the election of directors and the appointment of auditors.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

As of the Record Date, the Company had outstanding **43,543,620** Common Shares. Each Common Share carries one vote per share. To the knowledge of the directors and officers of the Company, no person or corporation beneficially owns, directly or indirectly, or exercises control or direction over securities carrying in excess of 10% of the voting rights to any class of outstanding voting securities of the Company.

Persons registered on the books of the Company at the close of business on the Record Date and persons who are transferees of any shares acquired after such record date and who have produced properly endorsed certificates evidencing such shares or who otherwise establish ownership thereof and demand, not later than 10 days before the Meeting, that their names be included in the list of shareholders, are entitled to vote at the Meeting of the Company.

PARTICULARS OF THE MATTERS TO BE ACTED UPON AT THE MEETING

Financial Statements

The Company's annual audited financial statements for the years ended January 31, 2019 and 2018 have been forwarded to Shareholders, together with the Information Circular. No formal action will be taken at the Meeting to approve the financial statements with the requirements of the Business Corporations Act (*Ontario*) having been met with the advance circulation of the financial statements. If Shareholders have questions respecting the financial statements, the questions will be addressed during the "Other Business" portion of the Meeting.

Appointment and Remuneration of Auditors

Each Option shall be evidenced by an Option Agreement setting forth such additional terms, conditions or restrictions and in such form and containing such provisions not inconsistent with the provisions of the Plan as the Board from time to time shall approve. Each Option Agreement shall also specify the time or times during which the Option may be exercised and shall specify the effect of termination of services or employment (by retirement, disability, death or otherwise) on the exercisability of the Option. Such Option Agreement may also include, without limitation, provisions relating to (i) vesting of Options and, subject to the provisions hereof, accelerating such vesting on a Change of Control; (ii) tax matters (including provisions permitting the withholding of a portion of the Holder’s cash remuneration by the Corporation or any Affiliate to satisfy federal or provincial income tax or other withholding); and (iii) any other matters not inconsistent with the terms and provisions of this Plan that the Board shall in its sole discretion determine. The terms and conditions of an Option Agreement need not be identical to the terms of any other Option Agreement.

In the event that, at the time the Option is granted, the Shares are listed for trading on an exchange or other market, the price at which a Share may be purchased upon exercise of an Option shall be determined to be an amount which is not less than that permitted under the applicable rules of the exchange or market. Subject to Section 8.3, the purchase price of the Shares for which an Option or portion thereof is exercised shall be paid in full in cash or by certified cheque to the Corporation at the time of exercise in the manner prescribed by the Board or as set out in the Option Agreement.

6.4 The term of each Option shall be as specified by the Board, provided that the expiry of each Option shall be the later of a fixed expiration date (the “**Fixed Expiry Date**”) or, in the event that the Fixed Expiry Date falls within or immediately after a blackout period imposed by the Corporation ten (10) business days after the end date of the blackout period. No Option term shall exceed five (5) years from the date of the grant, unless otherwise expressly authorized by the Board.

6.5 Any Option shall be exercisable in whole or in such instalments and at such times as determined by the Board.

6.6 The terms of an Option may not be amended once issued. If an Option is cancelled prior to its expiry date, the Corporation shall not grant new options to the holder of the cancelled Option until 30 days have elapsed from the date of cancellation.

ARTICLE 7 TERMINATION OF ELIGIBILITY

7.1 Each Option held by the Holder, whether vested or unvested, and all rights to purchase Shares pursuant thereto, will immediately expire and cease to be exercisable on the Termination Date. Without limitation, and for greater certainty only, this section will apply regardless of whether the Holder was dismissed with or without cause and in the event of Termination by the Corporation will be effective as of the date notice of termination is given by the Corporation regardless of whether the Holder received compensation in respect of dismissal or was entitled to a period of notice of termination.

ARTICLE 8
EXERCISE OF OPTIONS

8.1 Subject to the provisions of the Plan, an Option that has vested may be exercised from time to time by delivery to the Corporation at its registered office of a stock option plan subscription agreement in the form of Schedule "B" to the Secretary of the Corporation specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the Option Price of the Shares to be purchased. Certificates for such Shares shall be issued and delivered to the Holder within a reasonable time following the receipt of such notice and payment.

8.2 Notwithstanding any of the provisions contained in the Plan or in any Option, the Corporation's obligation to issue Shares to a Holder pursuant to the exercise of an Option shall be subject to:

- (a) completion of such registration or other qualification of such Shares or obtaining approval of such governmental authority as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the admission of such Shares to listing on any stock exchange on which the Shares may then be listed; and
- (c) the receipt from the Holder of such representations, agreements and undertakings, as the Corporation or its counsel determines to be necessary or advisable.

The Corporation shall, to the extent necessary, take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on any stock exchange on which the Shares are then listed.

8.3 At the discretion of the Company, notwithstanding Section 8.1, a Holder may elect to effect a cashless exercise of any or all of such Holder's vested and exercisable rights under an Option by delivery to the Corporation at its registered office of a stock option plan subscription agreement in the form of Schedule "B" to the Secretary of the Corporation specifying the number of Shares with respect to which the Option is being exercised and specifying the cashless exercise election. In connection with any such cashless exercise, the Holder shall be entitled to receive, without any cash payment (other than the taxes required to be paid in connection with the exercise which must be paid by the Holder to the Corporation in cash at the time of exercise), such number of whole Shares (rounded down to the nearest whole number) obtained pursuant to the following formula:

$$X = \frac{[A \times (B - C)]}{B}$$

Where:

- X = the number of whole Shares to be issued
- A = the number of Shares with respect to which Option being exercised
- B = the closing price of the Shares on the Exchange on the last trading day preceding the day that written notice of the request for cashless exercise is received by the Corporation at its head office
- C = the exercise price of the Option

In connection with any such cashless exercise, the full number of Shares issuable and underlying the Option being exercised (item "A" in the formula) shall be considered to have been issued for the purposes of determining the number of Shares which may be issued under the Plan and the number of Shares remaining for issuance subsequent to such cashless exercise.

ARTICLE 9 RECAPITALIZATION OR REORGANIZATION

9.1 If there is any change in the outstanding Shares by reason of a stock dividend or split, recapitalization, consolidation, combination or exchange of shares, or other fundamental corporate change, the Board will make, subject to any prior approval required of applicable regulatory authorities or stock exchange, if any, an appropriate substitution or adjustment in (i) the exercise price of any unexercised Options under this Plan; (ii) the number or kind of shares or other securities reserved for issuance pursuant to this Plan; and (iii) the number and kind of shares subject to unexercised Options theretofore granted under this Plan; provided, however, that no substitution or adjustment will obligate the Corporation to issue or sell fractional shares. In the event of the reorganization of the Corporation or the amalgamation, merger or consolidation of the Corporation with another corporation, the Board may make such provision for the protection of the rights of Holders as the Board in its sole discretion deems appropriate. The determination of the Board, as to any adjustment or as to there being no need for adjustment, will be final and binding on all parties.

9.2 The existence of the Plan and the Options granted hereunder shall not affect in any way the right or power of the Board or the shareholders of the Corporation or any Affiliate to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, any amalgamation, merger or consolidation of the Corporation, any issue of debt or equity securities ahead of or affecting Shares or the rights thereof, the dissolution or liquidation of the Corporation or any sale, lease, exchange or other disposition of all or any part of its assets or business or any other corporate act or proceeding. No Holder, beneficiary or other person shall have any claim against the Corporation, an Affiliate, or the directors thereof, as a result of any such action.

9.3 Except as hereinbefore expressly provided, the issuance by the Corporation of Shares of any class or securities convertible into shares of any class, for cash, property, labour or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefor, or upon conversion of Shares or obligations of the Corporation convertible into such Shares or other securities, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to Options theretofore granted or the purchase price per Share, if applicable.

ARTICLE 10 AMENDMENT AND TERMINATION OF THE PLAN

10.1 Subject to the requisite shareholder and regulatory approvals set forth under Sections 10.2 and 10.3 below, the Board may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time provided however that no such right may, without the consent of the Holder, in any manner adversely affect the Holder's rights under any Option theretofore granted under the Plan.

10.2 The Board may not, without the receipt of any requisite shareholder and regulatory approval, make the following amendments to the Plan:

- (a) any amendment to the number of securities issuable under the Plan, including an increase to a fixed maximum number of securities or a change from a fixed maximum number of securities to a fixed maximum percentage. A change to a

fixed maximum percentage which was previously approved by shareholders will not require additional shareholder approval;

- (b) any change to the class of Holders eligible to receive Options which would have the potential of broadening or increasing Insider participation;
- (c) the addition of any form of financial assistance;
- (d) any amendment to a financial assistance provision which is more favourable to participants;
- (e) any addition of a further cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the Plan reserves;
- (f) the addition of a deferred or restricted share unit or any other provision which results in participants receiving securities while no cash consideration is received by the Corporation; and
- (g) any other amendments that may lead to significant or unreasonable dilution in the Corporation's outstanding securities or may provide additional benefits to eligible participants, especially Insiders of the Corporation, at the expense of the Corporation and its existing shareholders.

10.3 The Board may, subject to receipt of requisite regulatory approval where required, in its sole discretion and without the approval of shareholders, make all other amendments to the Plan that are not of the type contemplated in Section 10.2 above including, without limitation:

- (a) amendments of a "housekeeping" nature, including, without limitation, amendments for the purpose of curing any ambiguity, error or omission in the Plan or to correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan, or to comply with applicable law or the requirements of any stock exchange on which the Shares are listed;
- (b) a change to the vesting provisions of an Option or the Plan;
- (c) a change to the termination provisions of an Option or the Plan which does not entail an extension beyond the original expiry date;
- (d) a discontinuance of the Plan; and
- (e) the addition of provisions relating to phantom share units, such as restricted share units and deferred share units, which result in participants receiving cash payments, and the terms governing such features.

10.4 Notwithstanding the provisions of subparagraph 10.3(b) above, the Corporation shall additionally obtain requisite shareholder approval in respect of amendments to the Plan that are contemplated pursuant to subparagraph 10.3(b), to the extent such approval is required by any applicable laws or regulations.

ARTICLE 11
MISCELLANEOUS

11.1 Neither the adoption of the Plan by the Corporation nor any action of the Board shall be deemed to give a Holder any right to be granted an Option to purchase Shares except as may be evidenced by an Option Agreement, and then only to the extent and on the terms and conditions expressly set forth therein.

11.2 Holder shall not have any rights as a shareholder of the Corporation with respect to any of the Shares covered by such Option until such holder shall have exercised such Option in accordance with the terms of the Plan (including tendering payment in full of the Option Price of the Shares in respect of which the Option is being exercised and of any applicable taxes) and the Corporation shall have issued such Shares to the Holder in accordance with the terms of the Plan.

11.3 Nothing contained in the Plan shall (i) confer upon any Holder or any Beneficial Owner any right with respect to continuation of employment or service with the Corporation or any Affiliates; or (ii) interfere in any way with the right of the Corporation or any Affiliates to terminate his or her employment or service at any time.

11.4 The Corporation shall not be obligated to issue any Shares pursuant to any Option granted under the Plan at any time when, in the opinion of legal counsel for the Corporation, there is no exemption from the registration or prospectus requirements of such laws, rules or regulations applicable to the issuance and sale of such shares, including securities laws.

11.5 No fractional shares shall be delivered and no cash in lieu of fractional shares will be paid by the Corporation to a Holder.

11.6 To the extent required under applicable law or regulation, the Corporation shall be entitled to take all reasonable and necessary steps, including the sale of any Shares issued upon the exercise of any Option granted under the Plan, the withholding of any amount otherwise due to a Holder (or a beneficiary of a Holder), or requiring all reasonable or necessary indemnities, assurances, payments or undertakings, to the sole satisfaction of the Corporation, to satisfy any tax remittance obligations of the Corporation to any taxing authorities arising in respect of any exercise of any Options granted or cashless exercises permitted under the Plan by the Corporation, and the Corporation shall be and is hereby appointed as the irrevocable attorney-in-fact for any person granted an Option under this Plan to take all such reasonable and necessary steps or sales of Shares including, without limitation, Share sales resulting from any cashless exercise. The Corporation does not accept responsibility for the price obtained on the sale of such Shares.

11.7 Holders and their beneficiaries shall be responsible for all taxes with respect to any Options or cashless exercises under the Plan or under any Option Agreement, whether arising as a result of the grant or exercise of Options, any cashless exercise rights or otherwise. The Corporation makes no guarantee or representation to any person regarding the tax treatment of Options, a cashless exercise or payments made under the Plan or any Option Agreement and none of the Corporation, or any of its officers, directors, employees or other representatives shall have any liability to a Holder or a beneficiary of a Holder with respect thereto. With respect to all Options and cashless exercise rights, unless otherwise determined by the Board in its sole discretion, the Corporation agrees to elect under subsection 110(1.1) of the Income Tax Act (Canada) (or any successor provision thereto) so as to permit the Holder to claim a deduction under paragraph 110(1)(d) of the said Act (or any successor provision thereto) with respect to the exercise price, or the payment due under any cashless exercise, as the case may be.

11.8 An Option shall not be transferable or assignable and shall be exercisable during the Holder's lifetime only by such Holder. Holders may not assign, transfer, pledge or hypothecate any Options or any rights thereunder in any way (whether by operation of law or otherwise). Options shall not be subject to execution, attachment or similar process.

11.9 This Plan shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable in the Province of Ontario.

[NAME OF OPTIONHOLDER],

(hereinafter referred to as the "**Holder**")

3. The Option will vest as set out in Exhibit A.
4. Notwithstanding Section 3, the Option shall become fully vested and will be exercisable in the event of a Change of Control, as defined in the Plan, or as otherwise determined by the board of directors of the Corporation. All unexercised Options, whether vested or unvested, shall expire and terminate [**• days**] after the giving of a notice in respect of such Change of Control or determination by the Board (a “**Permitted Exercise Notice**”) and otherwise in accordance with the terms of the Plan.
5. 6. Notwithstanding Section 5, a Holder may elect to effect a cashless exercise of any or all of such Holder’s vested and exercisable rights under an Option by delivery to the Corporation at its registered office of a stock option plan subscription agreement in the form of Schedule “B” to the Secretary of the Corporation specifying the number of Shares with respect to which the Option is being exercised and specifying the cashless exercise election, and copies executed by the Holder of such shareholder, restricted stock, voting trust, sale, reorganization, escrow, lockup, agency and/or other agreements as the Board may in its sole discretion specify in a Permitted Exercise Notice. 8. The terms of this Agreement supersede the relevant terms of any prior agreement, commitment, undertaking or other obligation or understanding with respect to the issue of any shares or any other equity interest, or any options to purchase shares or any other equity interest, in the Corporation to the Holder, and the Holder acknowledges that all such obligations and understandings have been fully satisfied and discharged by the Corporation and the Holder entering into this Agreement.
9. Time shall be of the essence of this Agreement.
10. This Agreement shall enure to the benefit of and be binding upon the successors and assigns of the Corporation and the heirs, executors and personal legal representatives of the Holder.
11. The Holder may not pledge, hypothecate, charge, transfer, assign or otherwise encumber or dispose (each a **"Dealing"**) of its, his or her interest in this Agreement or in the Option granted hereby or in any right (vested or unvested) of exercise under the Option, and any attempt to do so, or any such Dealing effected by operation of law or by order of any court of competent jurisdiction will cause this Agreement, the Option granted hereby and all rights (vested and unvested) of exercise under the Option to immediately and automatically terminate and become null and void.
12. The Holder acknowledges receipt of a copy of the Plan. The Holder further acknowledges and agrees that, except with respect to the terms upon which rights of exercise under the Option become vested and exercisable: (i) the Plan may, with or without notice to the Holder, be amended, supplemented or replaced from time to time; and (ii) this Agreement and the Option shall be subject to and governed by the terms and conditions of the Plan, as so amended, supplemented or replaced.
